Color Band & Decal Series

Due to affordability and simplicity in designs made possible by machineries, color band and decal dinner sets have always been a favorite among families, restaurants, hotels and institutions.

Depending on your market, MIGO can supply color bands and decal dinnerwares in stoneware, porcelain or MIGO's own development in "**SUPER WHITE**" materials.

Embossed Series

For those who want nothing but the most elegant dinnerwares, MIGO's embossed dinner sets should satisfy their needs and tastes. Whether they want traditional, contemporary or baroque styles, MIGO has them all in snow white and solid colors.

Using nothing but the best porcelain to magnify the extravagant workmanship together with lead-free glazing production process, our valuable customers can enjoy the shiniest, whitest, smoothest dinnerware surfaces decorated with outrageous embossed patterns.

Solid Color Series

For those who want simplicity but without sacrificing elegance and personality, MIGO's Solid Color dinner sets are ideal for them.

From snow white to any outrageous colors you can think of, MIGO has put them together in regular and irregular shapes to represent your distinct personality.

This series deploy either stoneware or MIGO's own development in "**SUPER WHITE**" material to suit different budgets.
